Welcome!

What's new at Liberty?

Liberty has a lot to celebrate this month: 5 employee birthdays, a beautiful office, and the launch of the Zultys product line! We are also excited to welcome eight clients to the Liberty Family and a new addition to the Liberty Team.

Gerry's Techno Bite

Take a second look at your Dial Tone!

If you are having an issue with your phone system, the problem could be with your dial tone service or internal network. So who should you call? Your dial tone provider? Your IT department? The Liberty Help desk? Depending on the problem, all three may need to work together to find a solution. For this reason, it's a good idea for your computer service contact, your dial tone contact, and your phone service contact to know each other. When these individuals work as team, they often reach a shifter resolution to the problem, saving you both time and money.

Liberty has already formed relationships with several dial tone providers in the area, but we'd like to extend an invitation to your IT staff (or consultant) to visit our new office and meet with our experienced technicians. We will be hosting a lunch 'n learn this summer for IT personnel and IT consultants. If you are interested in attending this event, please contact Kate at klane@libertycnds.com.

Welcome to the Liberty Family!!

Happy Memorial Day!

Everyone at Liberty wishes you a happy and safe Memorial Day!

Holiday Hours:

Liberty will close Friday May 22nd at 12pm and will reopen on Tuesday May 26th. Even though our office will be closed over the holiday weekend emergency technical support will be available.

Referrals

Know of a company that is moving, growing, or just beginning? Let us know! Special incentives for referrals are available. Contact the sales department for details.

Customer Feature

We're looking for clients be featured in our monthly email, interested? Contact sales@libertycnds.com and we will add you to the newsletter!

Item of the Month:

Zultys - A total VOIP Solution

As part of our commitment to provide exceptional telecommunications solutions for our clients, we are proud to announce our partnership with Zultys, Inc. The Zultys product is a complete Voice Over IP (VOIP) solution that integrates with Mac, PC, and LINUX systems. This dynamic product enables end users to make and receive calls from a desktop or laptop as well as receive faxes, listen to voicemail and conduct web conferences. Zultys offers Telephone Binding, which allows calls to be accessed from a computer, cell phone, or desk phone. The Liberty team is excited to offer this innovative product to our clients. Contact a member of the Liberty team sales team for more information or to schedule a demonstration.

Liberty Employee Corner

New Team Member!

We are proud to welcome Mike Rodgers to the Liberty Communication team. Mike brings with him two years of technical experience and has joined our staff of highly-trained field service technicians. Welcome Mike!!!

Birthdays!

Happy Birthday to our Customer Service Coordinator, Carol Williams, our President and CEO, Gerry Gordon, and our field service technicians, Kevin Green, Jeff Isaia, and Mike Rodgers! Carol's birthday was on April 20th, Gerry's birthday was on May 16th, Kevin's birthday was on May 2nd, Jeff's birthday was on May 5th, and Mike birthday was on May 21st. We wish them all a Happy Birthday!
